I am a frontend developer focused on creating clean, user-centric applications that balance performance and simplicity. Skilled in React, TypeScript, React Native and Tailwind CSS, with experience translating Figma designs into responsive, accessible interfaces.

Technical Skills

React.js	TypeScript	JavaScript	Tailwind CSS	React Native	CSS	SCSS/SASS	Supabase	API
UI/UX	Git	GitHub	HTML	Figma	AWS	Responsive Design	Adobe Creative Suite	

Projects

billy | React.js, TypeScript, TailwindCSS, Supabase, Figma, Git, GitHub, API
- An AI-assisted flashcard learning app that helps users deepen understanding by generating detailed explanations and contextual examples.

Weekly Bytes | React.js, JavaScript, API, Figma, Git, GitHub, TailwindCSS
- A weekly meal planner that allows users to select a custom date range and automatically generate randomized menus. A collaborative project done through Chingu, a job simulation organization.

Skye Contractor Inc. | React, SASS, Git, GitHub, JavaScript
- A promotional website for a local construction contractor showcasing services, testimonials, and project galleries.

Hwatu Tarot | JavaScript, HTML, CSS
- A solitaire-inspired card reading game combining Korean Hwatu cards and daily horoscopes.

Experience

Freelance | Frontend Developer | Mar 2024 – Present
- Designed and developed responsive web applications using React, TypeScript, and Tailwind CSS.
- Built reusable, modular components to improve efficiency and maintainability.
- Translated Figma UI/UX designs into pixel-perfect, accessible interfaces optimized for performance.
- Collaborated in Agile sprint cycles (Chingu), practicing Jira task management and peer code reviews.

JJ Know Style | Manager & Digital Marketer | Dec 2020 – Present
- Managed daily retail operations and led marketing initiatives with Adobe Creative Suite.
- Designed promotional materials and campaigns, increasing customer engagement and sales.
- Implemented data-driven sales and inventory analysis using Excel to improve efficiency.

OneTrust | Implementation Consultant | Jan 2020 – Apr 2020
- Configured and deployed privacy compliance platforms (CCPA, GDPR).
- Trained end users to effectively manage compliance workflows.

Velosio | Associate Consultant | Feb 2019 – Dec 2019
- Implemented Microsoft Dynamics 365 ERP solutions for clients.
- Gathered requirements and delivered system training, improving adoption and efficiency.
